Help create a safer City of Manchester by enrolling in our Community Camera Sharing Program!

Sharing your camera feed enables the Manchester Police Department to respond to incidents at your location faster and equip officers with advance knowledge of the situation. It will keep our residents and business owners safer and build closer ties within our community.

INCREASING SAFETY. RESPECTING PRIVACY.

- Our new City of Manchester Safety Program enables you to share live video feeds with the Manchester Police Department in emergencies to improve community safety and law enforcement response.
- Access to your cameras is conditional upon mutual agreement between you and the Manchester Police Department and will only be accessed in the event of a criminal incident or emergency at your location.
